

# Why Choose Blue Mountain:

**TRUST:** With 20+ years in the HVAC business, Blue Mountain has consistently delivered results our customers can depend on.

**TEAM:** Our leadership team, including the president, estimating, sales, service, and field leaders, boasts over 200 years of experience in the HVAC industry.

**SERVICE:** Blue Mountain's mission is to provide superior service to all customers. We promise to respond to all calls within 24 hours, ensuring your HVAC needs are met promptly and efficiently.

**BUILDER PROCESS:** Our team possesses substantial knowledge of various departments within the builder process, including purchasing, field operations, extensive residential Title 24 knowledge, and customer care.

**BUILDER PARTNER:** 40+ builders in the Sacramento and Central Valley regions trust Blue Mountain for 10,000+ homes, a testament to our strong builder relationships.

## Because of the Blue Mountain Advantages!

## ABOUT US

Since 1981, California homeowners, builders, general contractors, and property managers have trusted Blue Mountain for expert sheet metal and HVAC system design and installation in a wide range of projects, including residential homes, multi-family communities and assisted living facilities.
